

## REAL ESTATE ACQUISITIONS

■ PSM Co. helps client to acquire low and sell high in the real estate cycle —generating results for our partners in the form of strong, risk-adjusted returns. PSM Co. fits together the intricate pieces of the deal, our attorneys' structure, negotiate and document property acquisitions and divestments, handle finance arrangements, including mezzanine and permanent financing, and resolve land use, zoning and other challenges.

■ Real Estate Acquisition means any acquisition or gaining ownership or control of real property (real estate) or an interest in real property, directly or through a service company.
