

SECURITY SERVICES

- PSM Co. and our strategic partners' offers trained uniformed guards, 24 hours a day, 7 days week. All of our guards are trained to execute their responsibilities in a professional manner from welcoming visitors to the building to handling security threats or disturbances in the facility. We are equipped with latest technology to track our security personnel on site using geo-tracking devices to make sure the site has security personnel on site 24/7. PSM Co. provides latest software solution and project manual to assist in security operation e.g., recording visitor registration (In/Out), lost and found software etc.
